

Voice and Speech Training for Corporate Success

Successful people know the significance of a good speaking voice and clear, expressive speech is vital, both in business and socially.

Our coaching is designed for people who wish to refine their speaking style, improve their vocal technique and develop their vocal skills in order to communicate more effectively in both the business and social environments

ELOCUTION training will help you to...

- Become an effective speaker and improve your corporate profile
- Speak naturally with distinct pronunciation and articulation
- Avoid common grammatical mistakes and poor speech habits
- Improve your clarity and expressiveness
- Inject vitality and variety into your voice
- Communicate confidently and effectively
- Improve your vocal presentation
- Recognise the impact that your non-verbal communication has on your ability to get your message across
- Improve the way you present yourself
- Feel more confident and more in control

Topics

- What is good speech?
- The difference between formal and colloquial speech
- Recognising and selecting the appropriate Australian accent
- Common mistakes with grammar
- Exercises to improve articulation and clarity
- Breathing and other techniques to improve vocal quality
- Improving your delivery
- Speech mannerisms to avoid
